

Summerhall Tech Specs 2018

Dissection Room

PARKING –

No parking is available onsite, vehicles can access the courtyard for loading. For tour buses parking suspension outside the venue can be applied for at a cost.

16amp single phase power available on CeeForm for buses/trucks BY PRIOR ARRANGEMENT ONLY

GET IN –

Level from courtyard, passenger lift to dissection room. Smallest door is a single width door approx. 700mm.

OR 2 flights of stairs from courtyard to dissection room on the first floor level.

Stage

Stage (Nothing Ever Happens Here Setup) –

For more information please contact info@summerhall.co.uk – 0131 560 1580

For venue hire please submit an enquiry via our website www.summerhall.co.uk

All specifications are subject to change.

SUMMERHALL

Open Minds Open Doors

24' wide x14' deep Steeldeck stage with 600mm legs, get off treads and valance (in front of wide end of balcony). Black tabs hung behind stage.

Under stage and behind stage can be used for equipment/case storage.

FOH Mix Position –

8'x6' Steeldeck on 600mm legs next to lift

Blackout –

Blacks can be hung in front of all windows and cabinets - an *absolute* blackout is impossible but is good enough for most live events.

For more information please contact info@summerhall.co.uk – 0131 560 1580

For venue hire please submit an enquiry via our website www.summerhall.co.uk
